

51T-HD Standard Classroom Drop-In

Part # 71026

Model # TEK DI-SD-51T

The 71026 Single-Projection Drop-In Solution is almost identical to the 71021 with the exception that it includes a smaller and more portable presentation switcher that can be mounted directly to a table's underside or to other inconspicuous locations.

The 71026 includes the following:

TekMonitor Room Controller	1
TekMonitor Power Supply	1
TekSecurity	1
TekSecurity Cable	1
Multi-View Presentation Switcher	1
TekTouchPad	1
TekTouchPad Wedge	1
TEK Table Top Cubby	2
Small room Occupancy Sensor	1
2'x1' Ceiling Box	1

Benefits:

- Easy to install
- Easy to operate
- Fully operational from TEKVOX
- No programming required
- Works with any monitor using RS-232 control
- Allows student connections for both HDMI and VGA

TekTouchPad
